

Neotech Campus – Event report

Name of Institute: Neotech Faculty of Diploma Engineering

NC/ NFDE /Event report/2024-25/005

Date: 19th February 2024

1. Title of the Event:

Exploring Industrial Expo – 2024

2. Organized by:

Neotech Faculty of Diploma Engineering, Neotech Campus

3. Date & Venue:

19-02-2024, Anusuya Leprosy Ground, Opp. Sardar Estate, Ajwa Road, Vadodara.

4. Objective:

To provide students exposure to the latest advancements in industrial technology and to explore opportunities for innovation, networking, and practical learning in engineering and manufacturing sectors.

5. Resource Person(s):

Exhibitors from various industrial domains (Automation, Electronics, IT, Power Tools, etc.)

6. Program Schedule:

Time	Session Details	Speaker/Organizer
10:30 AM	Visit to Industrial Expo begins	Organized by ENGI EXPO Team
10:30 AM – onwards	Interaction with Exhibitors	Various Industry Experts

7. Key Highlights:

- Technological Innovations: AI, Robotics, IoT, and Automation displayed across stalls.
- Sustainability Focus: Emphasis on eco-friendly technologies and solutions.
- Industry 4.0 Concepts: Integration of digital technologies into manufacturing.
- Business Opportunities: Platform for startups and SMEs to showcase products.

Date: 19th February 2024

8. Outcomes of the Event:

Participants gained exposure to:

- Emerging industrial trends and technologies.
- Real-world applications of theoretical concepts.
- Networking with professionals and entrepreneurs.
- Understanding of sustainability in industrial practices.

9. Feedback Summary:

Students found the visit enriching and insightful.

- Faculty appreciated the diversity of domains covered.
- Positive reception for real-time demos and expert interaction.

10. Conclusion & Acknowledgment:

The visit to the 12th Mega Industrial Expo 2024 was a valuable learning experience. It reinforced the significance of staying updated with technological trends and encouraged students to think innovatively. Special thanks to Dr. Pranav Bhangaonkar (Principal, NFDE), Prof. Jayendra Parmar (Coordinator), and all faculty members for their support and coordination.
