

Neotech Campus – Event report

Name of Institute: Neotech Institute of Physiotherapy

NC/ NIP/Event report/2024-25/008

Date: 10-12-2024

1. Title of the Event:

Seminar On Electrotherapy Simplified

2. Organized by:

Neotech Institute of Physiotherapy

3. Date & Venue:

10-12-2024, NIP Building

4. Objective:

Enhance Conceptual Understanding

Bridge the Gap Between Theory and Practice

Improve Clinical Decision-Making

Demonstrate Safe and Effective Usage

Introduce Latest Trends and Equipment

Encourage Interactive Learning

Promote Evidence-Based Practice

Encourage the integration of current research and evidence when applying electrotherapy in clinical settings.

5. Resource Person(s):

Dr. Bhavna Gadhvi, Dean Faculty of Physiotherapy, Parul University

6. Number of Participants:

Number of Student	25
Number of Faculty	4

7. Program Schedule:

Time	Session Details	Speaker
2:00 PM- 4:00 PM	Seminar	Dr. Bhavna Gadhvi

8. Key Highlights:

Expert-Led Sessions

Simplified Concept Breakdown

Live Demonstrations

Date: 10-12-2024

Clinical Application Scenarios

Open-floor discussion allowing students to clarify doubts directly with experts and deepen their conceptual understanding.

Latest Device Introduction

Safety & Contraindications Emphasis

Participation Certificates

Resource Distribution

Engaging Learning Environment

9. Outcomes of the Event:

Improved Conceptual Clarity

Increased Confidence in Practical Skills

Better Clinical Decision-Making

Heightened Awareness of Safety Protocols

Exposure to Modern Equipment

Active Engagement and Participation

Enhanced Academic Interest

Positive Feedback from Attendees

Stronger Foundation for Clinical Practice

Recognition through Certification

10. Feedback Summary:

Participants rated the seminar as highly effective and well-organized.

Most useful elements:

Live demonstrations of equipment and techniques

Simplified explanations of complex concepts

Clinical application examples and real-case discussions

Students appreciated the clarity, practical focus, and interactive approach of the sessions.

11. Conclusion & Acknowledgment:

The seminar on "Electrotherapy Simplified" was a valuable learning experience that successfully demystified one of the most technical aspects of physiotherapy. Through

expert guidance, hands-on demonstrations, and engaging discussions, participants were able to deepen their understanding of electrotherapy concepts and their real-world clinical applications. The seminar not only enhanced theoretical knowledge but also empowered students with the confidence to apply these techniques safely and effectively in their practice. Overall, the event met its objectives of simplifying learning, improving clinical readiness, and sparking interest in evidence-based physiotherapy modalities.

All participants for their active involvement, curiosity, and enthusiasm throughout the seminar.

The organizing team and faculty members for their excellent coordination and behind-the-scenes efforts in making the seminar a success.

The institution's management for their continued support in promoting academic excellence and professional development.

Volunteers and technical staff for ensuring a smooth flow of the program, from logistics to live demonstrations.
