## Science Fair - Unveiling Pharmacy Innovations

Date: 20<sup>th</sup> February 2024

The Science Fair was organized by Neotech Institute of Pharmacy on 20<sup>th</sup> February 2024 at Jay Ambe School, Vadodara. This event served as an exciting platform for both 1<sup>st</sup> and 2<sup>nd</sup> year Pharmacy students to showcase their innovative projects. The event, held at Jay Ambe School, drew the interest of visiting students who actively engaged with the live working models and demonstrations. The projects, spanning various aspects of Pharmacy, demonstrated the practical applications of pharmaceutical science. The fair successfully fostered scientific curiosity and left a lasting impression on participants and visitors alike, highlighting the institute's commitment to promoting innovation and excellence in education.
