

# NEOTECH INSTITUTE OF PHARMACY

## “Aap bade Beautiful Ho”

Date: 14/4/2023

An interactive programme as a part of celebration of Dr Baba was carried out with the theme of “Aap bade Beautiful Ho”.

As a part of Dr. Babasaheb Ambedkar Jayanti celebration on 14th April 2023, Neotech Campus has taken an initiative to celebrate this day in a constructive way. In this regard, various social outreach activities have been planned wherein our faculty members and students will visit the nearby villages and interact with the villagers. Faculty members in coordination with student volunteers would perform following duties. Our duties will be to spread awareness and try to solve the problems they might be facing regarding the following topics such as Digital Payment, sanitization, energy conservation, deaddiction and many more. Plan and execute each activity in such a way that villagers gain some insights out of this.
